This image shows a vertical grid of empty rectangular cells, typical of a ledger or spreadsheet. The grid consists of 5 columns and 25 rows of larger cells. Each of these larger cells is further subdivided into 10 smaller, uniform rectangular cells, creating a fine grid structure. The entire grid is oriented vertically and is centered on a white background.

The image shows a vertical grid of empty cells, resembling a spreadsheet or data table. The grid consists of 10 columns and approximately 30 rows. The cells are arranged in a regular pattern, with a header row at the top. The columns are narrow, and the rows are also narrow, creating a dense grid structure. There are no visible text or data within the cells.

A vertical grid of 12 columns and 50 rows, resembling a blank ledger or data table. The grid is composed of thin black lines forming a rectangular structure. The columns are of varying widths, with the first two columns on the left being significantly wider than the remaining ten columns. The rows are of uniform height. The grid is centered horizontally on the page.
